# Our Vision

We at ALWASET ALAWAL for Electronic Financial Services aspire to be the first and leading choice in providing digital financial solutions in the region by developing innovative and secure services that enhance our clients' financial experience. We aim to build a digital financial future characterized by efficiency and ease, where all financial transactions are accessible to everyone, promoting digital transformation and supporting the growth of a sustainable digital economy.

# Our Mission

We at ALWASET ALAWAL for Electronic Financial Services strive to empower individuals and businesses to access secure and user-friendly digital financial solutions that simplify their financial operations and support digital transformation in society. We are committed to providing high-quality services based on innovation and modern technology, aiming to be the bridge that connects our clients to the best digital financial experiences.

# Our Values

We believe that trust and transparency are the foundations of success, which is why we are committed to providing highly reliable financial services with complete credibility. Innovation is our driving force; we continuously strive to develop solutions that meet the changing needs of the market. We place the client at the center of our interests, aiming to enhance their experience by simplifying their financial processes and offering continuous and exceptional support.

# Company purposes

## Financial Expertise Services

Carrying out financial expertise services and designing and preparing financial and administrative regulations and documentation procedures for all entities.

## Financial Evaluation

Financial evaluation of projects and preparation of economic feasibility studies for individuals and public and private entities.

## Management of Securities and Investment Funds

Management of securities portfolios and investment funds, and providing financial, economic, and banking consultations to investors.

## Accounting and Auditing

Accounting, Auditing, and Shari'ah Compliance for Financial Institutions and Islamic Banks

At ALWASET ALAWAL for Electronic Financial Services, customer satisfaction is our primary focus and the foundation of our success. We strive to provide services that exceed our clients' expectations by adhering to the highest standards of quality and security and responding promptly to their needs. We believe that listening to customer feedback and continuously improving their experience enhances their trust in us and establishes us as a reliable financial partner.

A photograph showing the hands and forearms of two people in business suits shaking hands. The person on the left is wearing a dark suit, and the person on the right is wearing a blue suit. The background is bright and out of focus.

# Finally

In conclusion, we at ALWASET ALAWAL for Electronic Financial Services reaffirm our commitment to providing innovative and secure financial solutions that meet our clients' needs and support digital transformation in our communities. We value our partnership with our clients and continually strive to enhance our services to be more effective and relevant. Thank you for your trust in us, and we look forward to working with you to achieve your financial goals and provide an exceptional financial experience.
